

Product Information

Five-Star Black Tire Paint™

Water Based Black Tire Paint

- Multi-purpose, Works with machine or hand application
- Covers Crayon, Scuffs, and Dirt
- Restores Used and Retread Tires to Look Like New

Five-Star Black Tire Paint™ is a superior specialty paint formulated for coverage appearance and tire adhesion. Compatible with all tire painting machines and spray systems. It gives retreads and used tires a like new, black satin finish. Covers crayon, scuffs and dirt. Dries quickly with low odor. Will not rub off after drying, even if it gets wet. Stir and/or mix thoroughly before using. Best applied by spray, however may also be applied by brush, mitt or sponge. Clean up before dry with warm soapy water.
